

Player Selection Policy and Responsibilities 2016

- Senior teams will be selected on the Tuesday before a weekend match, usually after training, and team sheets will be published latest by Wednesday before the match.
- Apart from exceptional circumstances, such as illness, players will inform their team captain immediately if they become unavailable to play once having been selected.
- Players are responsible for keeping the team captains informed of their availability as far in advance as possible – it will be assumed that you are available unless the team captain / vice-captain is informed directly.
- Junior teams will be selected by each teams' coach/manager and then informed either directly or via parent / guardian.
- All players are expected to regularly attend weekly training sessions.
- Players in adult sides are expected to play their part in the overall running of SCC by helping out when asked and volunteering their services where possible.
- Players are expected to follow the Club Code of Conduct.
- It is the responsibility of all players (or parents / guardians in the case of juniors) to provide accurate and up to date contact and personal information, as and when requested by the club.
- Only players who have paid their club subscriptions in full can be considered for selection
